Experience

2020-2023

Kissan Silage, Rajpura

Manager

I am a journalism graduate working as a manager of a silage factory for 2 years. I have 2 years of experience in managing the factory where I head a team of 40 people. Before joining the silage factory, I was a part of a newspaper editorial team. There I assisted the editorial team in column writing, proof-reading and forming the structure of news articles.
